Members of the armed forces can now take advantage of discounted green fees/carts, ranging from just \$29 - \$69. "At a time when the country's military men and women need our support as much as ever, Marriott Golf created the Fairway Furloughs program as a thank-you to members of the armed forces who love the game of golf," said Bill Nault, Vice President, Marriott Golf. "In this country, we have hundreds of thousands of active, reserve and retired military personnel who play golf, and we can't think of a better way to reward their unmatched dedication than to provide great values to play on our collection of championship courses."
