Dear Tuni,

I want to congratulate you on Doral Golf Resort & Spa being named among *Golf Digest's* "75 Best Golf Resorts in North America" for 2006. The ranking will appear in our December issue (on newsstands November 7) and I've enclosed an advance copy.

The biennial "75 Best Golf Resorts in North America" ranking is based on the evaluations from *Golf Digest's* Course Rating Panel—a group of more than 800 low-handicap golfers who rated hundreds of resorts throughout the U.S., Canada, Mexico and Caribbean. This is the same distinguished panel that determines our "America's 100 Greatest Golf Courses" ranking.

All of the facilities included among the "75 Best Golf Resorts in North America" are given *Golf Digest's* highest recommendation, and we congratulate you and your staff.

Cordially,

A Condé Nast Publication
